UNIVERSITY OF SOUTH FLORIDA

INFORMATION TECHNOLOGY | ADVANCED VISUALIZATION CENTER

Please be aware that under our discretion, we are able to deny any 3D print submission

To submit a file for 3D printing:

1. Fill out EACH component of the submission information. Failure to do so will result in a failed submission
2. Upload your print file in either .stl or .obj format. Any other file format will not be accepted
3. Add any additional notes/comments that is not provided by the form

Please direct all 3D printing related questions to advancedvisualizationcenter@gmail.com
